Case Study

Generating MC quizzes from the 3 quiz generators with the same content

To test the algorithms and differences between these apps, we ran the same content about diversity and inclusion through the 3 quiz generation apps to see what questions they came up with.

This is the content we used to prompt the tools.

"Benefits of Embracing Diversity and Inclusion: a. Enhanced Creativity and Problem-Solving: Diverse teams bring a wide range of viewpoints, allowing for more comprehensive problem-solving and creative ideas. Different perspectives challenge assumptions and encourage out-of-the-box thinking. b. Improved Employee Satisfaction and Retention: Inclusive workplaces foster a sense of belonging and purpose, leading to higher job satisfaction and increased employee retention rates. c. Attraction of Top Talent: Organizations that prioritize diversity and inclusion become attractive to skilled professionals who seek an inclusive and supportive work environment. d. Increased - - - Adaptability: Inclusive cultures adapt more effectively to changes, as employees from various backgrounds can bring diverse skill sets to the table."

QUIZGECKO

We requested Quiz Gecko to generate MC questions and it generated the following 5 questions on it's platform.

(Continued below)

5 Questions

Which of the following is a benefit of embracing diversity and inclusion?

What is one effect of fostering an inclusive workplace?

Why do organizations that prioritize diversity and inclusion become attractive to skilled professionals?

What is one advantage of having diverse skill sets in an inclusive culture?
